DOCUMENT CODE: **20261001** *(year-month-series number)*

POLICY NAME: Resort Guest Entrance & Accommodation Policy (Walk-in)

PURPOSE: Outlines the goals of the process, such as ensuring customer satisfaction, maintaining financial accuracy, standardizing operational steps, or improving safety and compliance.

SCOPE: This policy covers all front-desk and gate staff at the resort's main entrance. It applies to all walk-in customer admissions, payment processing, and cottage/tent assignments. It does not apply to pre-booked corporate events or private function halls.

RESPONSIBILITIES: Outlines the specific roles and their designated duties within the workflow.

TERMINOLOGIES: A glossary of key terms, acronyms, and abbreviations used throughout the document to ensure clear understanding.

Sales Invoice: The official document released to the customer confirming payment of admission and rental fees.

Entrance Fee: The standard per-person admission charge to access resort grounds.

Accommodation Rentals: The reserved spot, beach chair configuration, or cottage allocated for the guest's use during their stay.

Seq.	Person Involved	Process	Time Table
1	Guest Services Attendant	Warmly greets incoming customers with the "*Mabuhay Greetings*" - placing the right palm flat over the left side of the chest (over the heart) while smiling and giving a slight, respectful head nod.	15 seconds
2	Guest Services Attendant	Asks the guest about their preferred Accommodation Rentals setup for the day and check current availability.	1 minute
3	Guest Services Attendant	Calculates the total bill based on the resort's standard rates.	1 minute
4	Guest Services Attendant	Clearly breaks down the costs and inform the customer of the total amount due.	30 seconds
5	Guest Services Attendant	Receives payment from the customer (Cash) and verify the payment amount received.	30 seconds
6	Guest Services Attendant	Process the payment and issues the Official Sales Invoice	1 minute
7	Guest Services Attendant	Contacts the assigned Beach/Cottage Attendant via radio to guide the guest to their reserved spot.	30 seconds
8	Guest Services Attendant	Thanks the customer and wishes them an enjoyable stay at the resort.	15 seconds

POLICY NAME: Resort Guest Entrance & Accommodation Policy (Online Reservation)

PURPOSE: To standardize the resort guest check-in, verification, and accommodation guidance workflow for pre-booked guests, ensuring a warm, efficient, and seamless transition from the front desk to the assigned resort spot.

SCOPE: This policy covers all front-desk and gate staff at the resort's main entrance. This procedure applies to all incoming pre-booked resort guests handled by the Guest Services Attendant at the front desk and the Beach/Cottage Attendant on resort grounds.

RESPONSIBILITIES: Outlines the specific roles and their designated duties within the workflow.

TERMINOLOGIES: A glossary of key terms, acronyms, and abbreviations used throughout the document to ensure clear understanding.

Mabuhay Greeting: A welcoming gesture performed by placing the right palm flat over the left side of the chest (over the heart) while smiling and giving a slight, respectful head nod.

Accommodation Rentals Setup: The reserved spot, beach chair configuration, or cottage allocated for the guest's use during their stay.

Sales Invoice / Digital Payment: Official documentation or electronic confirmation serving as proof of payment for the guest's booked reservation.

Seq.	Person Involved	Process	Time Table
1	Guest Services Attendant	Warmly greets incoming customers with the "*Mabuhay Greetings*" - placing the right palm flat over the left side of the chest (over the heart) while smiling and giving a slight, respectful head nod.	15 seconds
2	Guest Services Attendant	Asks the guest about their booked Accommodation Rentals setup for the day.	30 seconds
3	Guest Services Attendant	Verifies the guest about their booked Accommodation Rentals setup for the day.	30 seconds
4	Guest Services Attendant	Checks the copy of their proof of payment - Sales Invoice / Digital Payment	30 seconds
5	Guest Services Attendant	Contacts the assigned Beach/Cottage Attendant via radio to guide the guest to their reserved spot.	30 seconds
6	Beach/Cottage Attendant	Guides the guests to their assigned spot.	1 minute
6	Guest Services Attendant	Thanks the customer and wishes them an enjoyable stay at the resort.	30 seconds
